

## DECLARATION CONFORMITY

The present letter to declare that our item 1770NS No Sound is equipped with materials and components that are suitable for fire doors, and corresponding to DIN4102.

It means that 1770NS No Sound can be used for all fire doors from EI15 up to Ei60.

Please note that this declaration does not involve minutes of fire resistance due to the fact that every manufacturer is obliged to test himself his doors to get the corresponding approval
